I hereby certify that the above information is correct and true. I further agree to abide by the regulations of Princeton Public Utilities. I understand that all utility bills are due by the twelfth (12<sup>th</sup>) of the month, regardless of whether I receive a bill in the mail, and that a late payment results in a 10% penalty charge. Failure to make monthly payments may result in disconnection of service. If utility service is disconnected, the total amount due plus a reconnection fee will be required to resume service. A new or additional deposit may also be required. If renting, I also understand that by signing this contract, I waive my rights under the Minnesota Government Data Practices Act, allowing PPU to notify my landlord of any pending disconnection notices.

I agree that in order for PPU to service our account or to collect any amounts I may owe, PPU may contact me by telephone at any number associated with my account including wireless telephone numbers, which could result in charges to you. PPU may also contact me by sending text messages and/or emails, using any email address provided to PPU. Methods of contact may include using pre-recorded or artificial voice messages and/or the use of an automatic dialing device, as applicable.

I understand that, effective May 1st, 2022, PPU may charge a convenience fee for all credit card transactions.

PPU's Service Rules are available on our website at [www.PrincetonUtilities.com](http://www.PrincetonUtilities.com). Service Rules may be modified at any time by Princeton Public Utilities with or without notice.

### ACCOUNT DEPOSIT

A deposit is required to begin service. This deposit will be held by Princeton Public Utilities for the entire period that I am a customer of PPU. If I cease being a customer and my bill is paid in full, any remaining deposit will be refunded to me. Please see PPU Service Rules for additional details.

As of October 1, 2021, the deposit for Residential Accounts are based on a customer's credit rating in addition to all past utility payment histories. Credit history is checked using Online Utility Exchange (OUE), which is also used to validate customer's social security number as a part of compliance with the Red Flag Rules required by the Federal Trade Commission. OUE performs a "soft credit check" comparing the customer payment history with other utilities on record. The Deposit amount is based on the results of the customer's credit check and may be waived.
